

**GOLDEN RETRIEVER CLUB
OF CENTRAL NEW YORK, INC.**
P.O. Box 2812
Syracuse, NY 13220

Email: grcny@gmail.com

Dear GRC Member:

Club dues for 2023 are now payable. **The deadline is December 31, 2023.**

We hope you find your membership in GRCCNY (Golden Retriever Club of Central NY) worthwhile, and we welcome your support and participation in our activities, including Public Education that is so necessary. The club belongs to all of us; please give us feedback on ideas and suggestions and get involved.

Our newsletter, Golden Tales and website keep you informed of meetings, activities, announcements, etc. Two informative issues are published each year and our website www.grccny.org has updates, forms and more. In addition, you can find us on Facebook.

Please complete and return the form below along with your payment **no later than** December 31, 2023 to retain your membership. **Membership renewals are due no later than December 31, 2023. Any renewals postmarked between January 1-14 will incur a \$10 late fee and any renewals not submitted by January 14, 2024 will receive a membership suspension and will not be in good standing with the club until the membership fee along with the late fee is received.** We hope that you will also consider being involved as a voting member.

This year we have added a field portion to our membership renewal to gauge interest in those wanting to do field training in the upcoming year as well as for those who would be interested in buying ducks for personal use. Payments for field training as well as for ordering personal ducks will be due by April 1, 2024 with checks payable to the club. The field participation fee is \$20 for the year and ducks for personal use can be purchased for \$16/duck as pre-order only. Please note, some locations may charge an additional fee per dog for property use.

We look forward to seeing you in 2024 and hope to also see you at our Annual Banquet in December.

Name (s) _____

Phone Number(s) _____ Email: _____

Address: _____ Dog Name(s): _____

Activities (i.e. field, rally agility, etc.) _____
